

## S'mores Chocolate Bar

Hershey's chocolate bar (just like you use for making s'mores)

Marshmallow cream

Graham crackers

Chocolate bar mold (90-5732), can be found/ordered at Mangelsen's or any other craft store

- ✚ Fill the mold with 18 chocolate rectangles
- ✚ Microwave the mold with chocolate for 1 minute
- ✚ Using an offset spatula spread the melted chocolate on the bottom and sides of your mold
- ✚ Refrigerate for a few minutes, so the chocolate can harden
- ✚ Spread a layer of marshmallow cream and then a layer of graham crackers
- ✚ Put 12 chocolate rectangles in a bowl and melt those in a microwave for 1 minute
- ✚ Spread melted chocolate over the graham crackers and refrigerate the mold until the chocolate hardens (this chocolate layer should be all the way to the top of the rim)
